INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO VOTERS

The Attorney General of California has prepared the following title and summary of the chief purposes and points of the proposed measure:

(Insert 100 word title and summary)

To the Honorable Secretary of State of California:

We the undersigned, registered, qualified voters of California, residents of the afore-described County (or City and County), on the signature page of this petition section, hereby propose an amendment to the Constitution of the State of California relating to parental notification and personal consent prior to the performance of an abortion on a pregnant unemancipated minor, and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election held prior to the general election or otherwise provided by law. The proposed amendment reads as follows:

SECTION 1. Title

This amendment shall be known and may be cited as the Child and Teen Safety and Stop Predators Act: Sarah's Law.

SECTION 2. Declaration of Findings and Purposes

The People of California have a compelling interest in protecting minors from the known risks of secret abortions, including the danger of not obtaining prompt care for health- and life-threatening complications when a minor's parent or responsible family member is unaware that she has undergone a secret abortion. The People also have a compelling interest in preventing sexual predators from using secret abortions to conceal sexual exploitation of minors.

SECTION 3. Parental Notification

Section 32 of Article 1 of the California Constitution is added to read:

SEC. 32 (a) For purposes of this Section, the following terms shall be defined to mean:

(1) "Abortion" means the use of any means to terminate the pregnancy of an unemancipated minor known to be pregnant except for the purpose of producing a live birth. "Abortion" shall not include the use of any contraceptive drug or device.

(2) "Medical emergency" means a condition which, on the basis of the physician's good-faith clinical judgment, so complicates the medical condition of a pregnant unemancipated minor as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function.

(3) "Parent" means a person who, at the time notice or waiver is required under this Section, is either a parent if both parents have legal custody, or the parent or person having legal custody, or the legal guardian of an unemancipated minor.

(4) "Adult family member" means a person at least 21 years of age who is the grandparent, stepparent, foster parent, aunt, uncle, sibling, half-sibling, or first cousin of an unemancipated minor.

(5) "Notice" means a written notification, signed and dated by a physician or his or her agent, informing the parent or adult family member of an unemancipated minor that she is pregnant and has requested an abortion.

(6) "Unemancipated minor" means a female under the age of 18 years who has not entered into a valid marriage and is not on active duty with the armed services of the United States and has not received a declaration of emancipation under state law. For the purposes of this Section, pregnancy does not emancipate a female under the age of 18 years.

(7) "Physician" means any person authorized under the statutes and regulations of the State of California to perform an abortion upon an unemancipated minor.

(b) Notwithstanding Article 1, Section 1, or any other provision of this Constitution or law to the contrary and except in a medical emergency as provided for in subdivision (f), a physician shall not perform an abortion upon a pregnant

unemancipated minor until at least forty-eight (48) hours has elapsed after the physician or the physician's agent has delivered written notice to her parent personally or by mail as provided in subdivision (c); or until the physician or the physician's agent has received a valid written waiver of notice as provided in subdivision (d); or until 48 hours after the physician has delivered written notice to an adult family member and has made a report of known or suspected child abuse, as provided in subdivision (e); or until the physician has received a copy of a waiver of notification from the court as provided in subdivision (h) or (i) or (j). A copy of any notice or waiver shall be retained with the unemancipated minor's medical records. The physician or the physician's agent shall inform the unemancipated minor that her parent may receive notice as provided for in this Section.

(c) The written notice shall be delivered by the physician or the physician's agent to the parent, either personally or by certified mail addressed to the parent at the parent's last known address with return receipt requested and restricted delivery to the addressee. If notice is provided by certified mail, a copy of the written notice shall also be sent at the same time by first class mail to the parent. Notice by mail may be presumed to have been delivered under the provisions of this subdivision at noon of the second day after the written notice sent by certified mail was postmarked, not counting any days on which regular mail delivery does not take place. A form for the notice shall be prescribed by the Department of Health Services. The notice form shall be bilingual, in English and Spanish, and also available in English and each of the other languages in which California Official Voter Information Guides are published.

(d) Notice of an unemancipated minor's intent to obtain an abortion may be waived by her parent. The waiver must be in writing, on a form prescribed by the Department of Health Services, signed by a parent, dated, and notarized. The parent shall specify on the form that the waiver is valid for 30 days, or until a specified date, or until the minor's eighteenth birthday. The written waiver need not be notarized if the parent personally delivers it to the physician or the physician's agent. The form shall include the following statement: **"WARNING. It is a crime to knowingly provide false information to a physician or a physician's agent for the purpose of inducing a physician or a physician's agent to believe that a waiver of notice has been provided by a parent or guardian."** The waiver form shall be bilingual, in English and Spanish, and also available in English and each of the other languages in which California Official Voter Information Guides are published. For each abortion performed on an unemancipated minor pursuant to this subdivision, the physician or the physician's

Judicial Council to ensure confidentiality of the unemancipated minors filing petitions, a report of the number of petitions filed, the number of petitions granted under subdivisions (h)(1) or (h)(2), deemed granted under subdivision (i), denied under subdivision (h)(3), and granted or denied under subdivision (j), said reports to be publicly available unless the Judicial Council determines that the data contained in individual reports should be aggregated by county before being made available to the public in order to preserve the confidentiality of the unemancipated minors filing petitions.

(l) The Department of Health Services shall prescribe forms for the reporting of abortions performed on unemancipated minors by physicians. The report forms shall not identify the unemancipated minor or her parent(s) by name or request other information by which the unemancipated minor or her parent(s) might be identified. The forms shall include the date of the procedure and the unemancipated minor's month and year of birth, the duration of the pregnancy, the type of abortion procedure, the numbers of the unemancipated minor's previous abortions and deliveries if known, and the facility where the abortion was performed. The forms shall also indicate whether the abortion was performed pursuant to subdivision (c); or (d); or (e); or (f); or (h), (i), or (j).

(m) The physician who performs an abortion on an unemancipated minor shall within one month file a dated and signed report concerning that abortion with the Department of Health Services on forms prescribed pursuant to subdivision (l). The identity of the physician shall be kept confidential and shall not be subject to disclosure under the California Public Records Act.

(n) The Department of Health Services shall compile an annual statistical report from the information specified in subdivision (l). The annual report shall not include the identity of any physician who filed a report as required by subdivision (m). The compilation shall include statistical information on the numbers of abortions by month and by county where performed, the minors' ages, the duration of the pregnancies, the types of abortion procedures, the numbers of prior abortions or deliveries where known, and the numbers of abortions performed pursuant to each of subdivision (c); or (d); or (e); or (f); or (h), (i), or (j). The annual statistical report shall be made available to county public health officials, members of the legislature, the governor, and the public.

(o) Any person who performs an abortion on an unemancipated minor and in so doing knowingly or negligently fails to comply with the provisions of this Section shall be liable for damages in a civil action brought by the unemancipated minor,

her legal representative, or by a parent wrongfully denied notification. The time for commencement of the action shall be within four years of the date the minor attains majority or four years of the date a parent wrongfully denied notification discovers or reasonably should have discovered the failure to comply with this Section, whichever period expires later. A person shall not be liable under this Section if the person establishes by written or documentary evidence that the person relied upon evidence sufficient to convince a careful and prudent person that the representations of the unemancipated minor or other persons regarding information necessary to comply with this Section were bona fide and true. At any time prior to the rendering of a final judgment in an action brought under this subdivision, the plaintiff may elect to recover, in lieu of actual damages, an award of statutory damages in the amount of \$10,000. In addition to any damages awarded under this subdivision, the plaintiff shall be entitled to an award of reasonable attorney fees. Nothing in this Section shall abrogate, limit, or restrict the common law rights of parents, or any right to relief under any theory of liability that any person or any state or local agency may have under any statute or common law for any injury or damage, including any legal, equitable, or administrative remedy under federal or state law, against any party, with respect to injury to an unemancipated minor from an abortion.

(p) Other than an unemancipated minor who is the patient of a physician, or other than the physician or the physician's agent, any person who knowingly provides false information to a physician or a physician's agent for the purpose of inducing the physician or the physician's agent to believe that pursuant to this Section notice has been or will be delivered to a parent or adult family member, or that a waiver of notice has been obtained, or that an unemancipated minor patient is not an unemancipated minor, is guilty of a misdemeanor punishable by a fine of up to \$2,000.

(q) Notwithstanding any notice or waivers of notice, except where the particular circumstances of a medical emergency or her own mental incapacity precludes obtaining her consent, a physician shall not perform or induce an abortion upon an unemancipated minor except with the consent of the unemancipated minor herself.

(r) Notwithstanding any notice or waivers of notice, an unemancipated minor who is being coerced by any person through force, threat of force, or threatened or actual deprivation of food or shelter to consent to undergo an abortion may apply to the juvenile court for relief. The court shall give the matter expedited consideration and grant such relief as may be necessary to prevent such coercion.

(s) This Section shall not take effect until 90 days after the election in which it is approved. The Judicial Council shall, within these 90 days, prescribe the rules, practices, and procedures and prepare and make available any forms it may prescribe as provided in subdivision (k). The Department of Health Services shall, within these 90 days, prepare and make available the forms prescribed in subdivisions (c), (d), and (l).

(t) If any one or more provision, subdivision, sentence, clause, phrase or word of this Section or the application thereof to any person or circumstance is found to be unconstitutional or invalid, the same is hereby declared to be severable and the balance of this Section shall remain effective notwithstanding such unconstitutionality or invalidity. Each provision, subdivision, sentence, clause, phrase or word of this Section would have been approved by voters irrespective of the fact that any one or more provision, subdivision, sentence, clause, phrase, or word might be declared unconstitutional or invalid.

(u) Except for the rights, duties, privileges, conditions, and limitations specifically provided for in this Section, nothing in this Section shall be construed to grant, secure, or deny any other rights, duties, privileges, conditions, and limitations relating to abortion or the funding thereof.
